

PARKING OPTIONS AT GEALC (260 Booran Rd)

Students are encouraged to find alternative parking options away from the busy intersection (Booran & North Roads). The following street options are actually closer to GEALC than the Foch Street end of Booran Rd!

1. Fraser Street (if coming from Carnegie direction)

Parking is available along Fraser St on the side facing North Rd all day. There is a laneway close to the tennis court that connects Fraser Street with Booran Road (see shaded area on map).

2. Leopold Street (if coming from Caulfield direction)

There is plenty of parking available at the North Rd end.

3. Maud Street (if coming from Bentleigh direction)

There is plenty of parking available at the Wheatley Road end (you just need to cross North Rd at the traffic lights).

4. Wheatley Road (if coming from Bentleigh direction)

There are some parking spots available at the North Road end (you just need to cross North Rd at the traffic lights).
